2. ENROLMENT

2.1 Entry Requirements

The Institute has defined and published entry requirements for individual courses. The entry requirements for each course can be found in the course specific documentation published on the website.

The Institute may conduct an entry test to determine the student's level of English. If the student's level of English is not up to that required for the course, students are required to defer the commencement of their intended course and undertake additional English courses at their own expense to ensure they meet the English Language entry requirement for their course.

2.2 Selection Criteria

The Institute recruits (through approved agents) students in an ethical manner in line with our access and equity policy.

The Institute will ensure that prior to enrolment prospective learners receive advice about the training product appropriate to meeting the learner's needs, taking into account the existing skills and competencies of each individual. This shall be done by way of interview with the Institute's marketing officers or via the Institute's agent's network interviews with individual students.

All local and overseas students must meet the requirements outlined in the course documentation and in the Entry Requirements section of this handbook. During the selection process, students will be given the following information:

- Course details
- Course pathways
- Learning and assessment methods
- Fees and charges
- Facilities and services
- Legislation and regulations
- Briefing about Australia and cost of living (overseas student only)

Student selection and registration into the Institute is based upon clients satisfying Institute entry criteria covering English proficiency (minimum IELTS score of 6.0 or the equivalent), academic qualifications (minimum completion of Year 11 or Year 12 or the equivalent depending on the course chosen), work experience, age (minimum 18 years) and visa status (as per assessment levels for the country of origin).

Original or certified copies of all documents must be submitted upon application. These requirements can be found at <http://www.homeaffairs.gov.au/>

2.3 Use of Recruitment Agents

The Institute appoints recruitment agents to promote our courses to prospective students. Agents are responsible for providing the information outlined in the selection criteria prior to enrolment to ensure students are well informed and well prepared for study and life in Australia.

2.4 Enrolment Procedure

Should an applicant wish to proceed with enrolment, the following procedure should be followed:

1. Complete and sign the Institute Enrolment Form/online form.
2. Submit the following documents along with your Enrolment Form:
 - Two recent passport-sized photographs
 - A photocopy of your passport identity page (overseas students)
 - Proof of academic and English Language proficiency
3. Submit your Enrolment Form and the above documents to:

Postal address:

Suite 1 Level 1, 338 Pitt Street
Sydney NSW 2000

Or

E-mail: info@york.edu.au

4. Upon receipt of your Enrolment Form and supporting documents, an interview will be conducted by a member of the Institute's Admission Team or a delegate to assess on your suitability to the course that you have applied for.

If your application is successful, we will send you a Letter of Offer together with an invoice and a written agreement. Once you receive the Letter of Offer you must pay the tuition fee and sign the written agreement. We will then use this to send you a Confirmation of Enrolment (CoE).

2.5 Fees

All course fees and charges must be paid in Australian Dollars (AUD). All fees and charges must be paid in advance by the due date shown on the Letter of Offer and/or invoice. A penalty may be applied to late payment of fees.

Fees are subject to change. The Institute will honour the tuition fees quoted for enrolled students only if the student commences tuition within 12 months of the date of the Letter of Offer.

If students need to repeat a subject(s), a pro rata tuition fee is payable. There is no reduction in fees for subject exemptions such as Recognition of Prior Learning or Credit Transfer

A \$200 enrolment/application fee applies before enrolment for all courses and the enrolment/application fee is non-refundable. The Institute is *not* responsible for any monies paid to agents or third parties.

Statutory Cooling Off Period

The Standards for RTOs 2015 require the Institute to inform persons considering enrolment of their right to a statutory cooling off period. A statutory cooling off period (which is 10 days) is a period of time provided to a consumer to allow them to withdraw from a consumer agreement, where that agreement was established through unsolicited marketing or sales tactics. These include tactic such as door-to-door sales and telemarketing. A statutory cooling off period allows a consumer to withdraw from a sales agreement within 10 days of having received a sale contract without penalty.

It must be noted that our Institute do not engage in unsolicited marketing or sales tactics and therefore a statutory cooling off period in not applicable to our students who have enrolled into a course. For refund option in other circumstances, students must refer to the refund policy.

2.6 Methods of payment:

- **Bank cheque or bank draft**, made payable to the “York Business Institute”
- **Credit card (Visa or MasterCard. 2.0% fee applies)**
- **EFTPOS**
- **Direct Debit**

- **Bank Transfer**

Fees can be transferred to the following account:

Account name: **York Business Institute Pty Ltd**

BSB number: **062 016**

Account number: **1150 3126**

Bank: **Commonwealth Bank**

Swift code: **CTBAAU2S**

Reference: Your name & Student number

Note: the Institute will not be responsible for any monies paid to agents.

2.7 Protection of fees

Under the Tuition Protection Service (TPS) framework, if the Institute is unable to fulfil its obligations to deliver a course, the new TPS framework will facilitate the placement of students in the first instance, and where this is not possible, provides a refund of unexpended tuition fees (i.e. tuition the student has paid for but has not been delivered by the provider).

2.8 Late payment of fees

If fees have not been paid in full by the due date written on the invoice, students may be disallowed from attending class, sitting tests/examinations, submitting assessments and/or receiving results until the outstanding fees have been paid in full.

Fee payment plans are available to all students. Once enrolment in a course has been confirmed, the fee for the first term plus all other fees (including learning material costs and other relevant fees) must be paid. Each subsequent term's fee must be paid prior to the commencement of the relevant term.

If tuition fees are not paid on time, the following late payment fees will apply:

- Overdue: \$120

Should fees remain overdue for more than one day; the Institute will inform the student of our intention to report the student for non-payment of fees to DHA via PRISMS.

2.9 The Institute refund policy

Situations where a provider default may occur include:

- 1) The course does not start of the agreed starting date which is notified in the Letter of Offer
- 2) The course stops being provided after it starts and before it is completed
- 3) The course is not provided fully to the student because the Institute has a sanction imposed by a government regulator

However, if the student agrees to accept an alternative (replacement) course or part of a course to be provided to the student at the Institute's expenses, then the Institute is relieved of its liability to provide a refund. The student must advise the Institute in writing whether they agree and accept the alternative arrangement.

Local Students

After course commencement students who discontinue their course will not be entitled to any refund. Every effort will be made to negotiate the transfer of training in the event of compassionate or compelling circumstances such as a student’s prolonged illness or personal hardship. However, no consideration can be given to extended absences for any other reason.

International Students

The request for refund must be made in writing to the Principal Executive Officer by using the **Refund Application Form**.

- No refunds will be paid to a third party unless it is indicated at the time the Refund Application Form is lodged, that any refunds due are payable to a third party.
- Where a refund is approved, the Institute will make payment of refunds within 28 days of receipt of the Refund Application Form
- In the case of default by the Institute, the provisions of the ESOS Act 2000 and the ESOS Regulations 2019 apply. For further information about the ESOS Act please see <https://internationaleducation.gov.au/regulatory-information/pages/regulatoryinformation.aspx>

- Under the Tuition Protection Service (TPS) framework, if the Institute is unable to fulfill its obligations to complete a course. The TPS framework will facilitate the placement of students in the first instance, and where this is not possible, provides a refund of unexpended tuition fees (i.e. tuition the student has paid for but has not been delivered by the provider).
- The Institute defaults if the course they offer does not start on the agreed starting day.
- The Institute defaults if the course stops being provided after it starts and before it is completed or the course is not provided fully to the student because the registered provider has had a sanction imposed.
- If the Institute defaults, it will refund to the student within 14 days after the default day and receipt of your Refund Application Form.
- The Institute will give the student a statement that explains how the refund amount has been worked out. The Institute dispute resolution processes do not circumscribe the student's right to pursue other legal remedies.
- This agreement and the availability of complaints and appeals processes, does not remove the right of the student to take action under Australia's consumer protection laws.
- The Standards for RTOs require the Institute to inform students considering enrolment of their right to a statutory cooling off period. A statutory cooling off period (which is 10 days) is a period of time provided to a consumer to allow them to withdraw from a consumer agreement, where that agreement was established through unsolicited marketing or sales tactics. These include tactics such as door-to-door sales and telemarketing. A statutory cooling off period allows a consumer to withdraw from a sales agreement within 10 days of having received a sale contract without penalty. It must be noted that our Institute does not engage in unsolicited marketing or sales tactics and therefore a statutory cooling off period is not applicable to our students who have enrolled into a course. For refund option in other circumstances, students must refer to the refund policy.
- The refund policy is subject to review from time to time.
- The Institute recommends that you read the ESOS Framework Information, which provides legislative protection for International students, available at <https://internationaleducation.gov.au/regulatory-information/pages/regulatoryinformation.aspx>

No refunds will be paid to a third party unless it is indicated at the time the refund application is lodged, that any refunds due are payable to a third party.

Requests for refund should be made in writing to the PEO with documented evidence of the reason for withdrawal. Eligible refunds will be refunded within 28 days of receipt of the claim. The enrolment/application fee and CoE issuing fee are not refundable.

All refunds will include a statement explaining how the refund amount was calculated.

Refund will only be given to the person who paid the tuition fees. For example, if the tuition fee was paid by an agent or parents, the money will only be refunded to either the agent or parents.

This refund policy does not remove students' rights to take further action under the Australian Consumer Protection Laws.

The Institute's dispute-resolution processes do not circumscribe a student's right to pursue other legal remedies.

Staff is responsible for referring all enquiries regarding fees, charges and refunds to the PEO.

The

Receptionist/ Student Welfare Officer is the initial and official point of contact for all students. Therefore, if you need assistance, please see the Receptionist in the first instance.

The Institute has sufficient staff personnel to meet the needs of the students enrolled in the Institute.

The Institute ensures that the staff members who interact directly with students are aware of the obligations of the Institute under the ESOS Framework and the potential implications for students arising from the exercise of these obligations. This information is communicated to staff through staff meetings, and through the policies and procedures manual.

The Institute will notify students of any intention to relocate premises (including the head office and campus locations) at least 20 working days before the relocation.

Bilingual personnel

The academic and administrative staff at the Institute speaks a number of languages and have access to interpretation services when needed. Students are able to receive help in their own language wherever possible.

Provision of Language, Literacy and Numeracy (LLN) assistance

Because we aim at all times to provide a positive and rewarding learning experience for all of our students, the Institute provides a formal assessment of the student's level of English. Numeracy is also an important component in most of our courses. Additional assistance with these skills can be arranged if the student requires it.

Quality Training and Assessment

All the Institute training and assessments comply with the standards of the AQF and the requirements of the relevant national training package. These standards are maintained through staff professional development, monitoring, industry liaison, internal auditing and both internal and external moderation.

Flexible learning and assessment

Flexible learning and assessment provides choices to students on how and where they learn, how they are assessed and when and where the learning occurs.

The Institute is committed to providing our students with the opportunity to engage in a flexible learning

and assessments process. The Institute's approach to flexible learning and assessment is to offer students a variety of learning and assessment experiences that may include but are not limited to:

- Class-based training/assessment
- Group discussions
- Role-plays
- Presentations
- Interactive web/CD/DVD-based training
- Self-directed study
- Research activities

3.5 Recognition of Prior Learning (RPL)

The Institute offers vocational courses at different levels and recognises that students may already possess the skills and knowledge in areas of the training they seek to enrol in.

Thus enrolling students can apply for Recognition of Prior Learning (RPL) for units of competency in the course they enrol in prior to the commencement of studies or during the first term in the chosen course by the end of the 2nd week. It should be noted that a shortening of overall course duration does not change the requirement for students to be enrolled in full-time study.

All students are offered the opportunity to apply for **Recognition of Prior Learning (RPL)** and **Recognition of Current Competency (RCC)** on an individual basis, prior to enrolment or during the student's course. The RPL/RCC process allows students to apply for credit for previous study, work, life and educational experience that match the learning outcomes of specific modules within their course. Outcomes will be notified within 10 working days of the date of receipt of the application.

All RPL/RCC applicants will be asked to provide evidence to support their claims, which should be attached to the RPL/RCC Application Form. Evidence includes, but is not limited to:

- Documentation such as certificates issued by other Australian Registered Training Organisations (RTOs)
- Support letters from employers
- Course outlines of previous courses
- Credentials issued by other organisations operating under the Australian Qualifications Framework

Where a student's evidence is insufficient, the PEO may ask the student to complete an assessment or examination relevant to the unit.

The PEO reviews all RPL-related assessments. From time to time or when deemed necessary, we will have an additional person or subject expert be part of the assessment process.

Where RPL is granted prior to the issue of a student visa, the period of the visa will be reduced to compensate. Where RPL is granted after the visa has been issued, students are required to maintain full study load with supplementary materials and supervised study.

Offshore students also can apply for RPL. Once students arrive in Australia they must meet with the Academic Manager, who will finalise this process and apply for RPL. This may involve tests, interviews or assessment and as noted, must be applied for during the first term in the chosen course (by the end of the 2nd week). Please note that if your request for RPL is granted, your course duration may change. If it does, you will be given a new eCoE confirming this, and the duration of your visa may be affected.

3.6 Credit Transfer (CT)

Policy

This policy and procedure supports of the National Code standard which states the 'Registered providers must appropriately recognise course credit within the ESOS framework.'

This policy implements a procedure for the Institute to process any student's applications for course credit and document any results, including student verification of the outcome. It will provide a process that ensures that students receive written verification of the outcome of the course credit application and records are kept with student files.

It also ensures that any changes to course duration that occur from granting a course credit, after a Student Visa is granted, are reported to DHA via PRISMS.

Definitions

'**Course Credit**' is defined by the National Code as follows:

Exemption from enrolment in a particular part of the course as a result of previous study, experience or recognition of a competency currently held. This includes academic credit and recognition of prior learning.

'Credit Transfer' (CT)

The granting of exemption or credit by a Registered Training Organisation to students for units of competency completed under accredited training. These unit codes must identically match the units that you are applying for credit, i.e. the unit code and name must be identical.

Procedure for Course Credit

All students are made aware of the ability to apply for course credit via a RPL or CT application throughout the enrolment and induction process of the course. This is supported with information provided in the Student Handbook.

Those students wanting to place an application for course credit must do so by the 2nd week of the first term in their enrolled course.

All applications are to be submitted to the PEO and include original documents to be sighted and copied by Administration. Applications will not be accepted unless all required information has been included.

Where RPL is being applied for the students must include all relevant evidence of work experience and where learning has occurred.

A Credit Transfer application must be accompanied by nationally recognised Certificates and/or Statement of Attainments with detail indicating the units successfully completed including unit codes and titles and dates of completion.

Students are required to submit their application with supporting evidence as required and outlined in the applications:

Credit Transfer

Students who have completed a Nationally Recognised qualification / unit that have the exact same code as a

unit currently enrolled will be eligible for credit transfer for the particular unit(s). The student must provide the original certificate to be sighted by the Institute to verify the Credit Transfer.

4. STUDENT ISSUES

4.1 Student Grievances, Complaints and Appeals

The Institute recognises that differences can arise from time to time. We have a fair and equitable process for dealing with complaints, grievances and appeals. The quick settlement of these matters is in the best interest of all parties concerned at minimal or no cost to the student and the following policies and procedures are in place to ensure that this happens.

- The Institute ensures that the principles of natural justice and procedural fairness are adopted at every stage of the complaint and appeal process.
- The Institute ensures that the complaints and appeals policy are publicly available.
- If the student chooses to access the Institute’s complaints and appeals processes the Institute will maintain the student’s enrolment while the complaints and appeals process is ongoing.
- If the internal or any external complaint handling or appeal process results in a decision that supports the student, the Institute will immediately implement any decision and/or corrective and preventative actions required and advise the student of the outcome.

The grievance procedure

ISSUE	Step 1 Whom do I talk to?	Step 2 Who takes over from there?	Step 3 Where do I go if I’m still not happy?	Step 4 Do I have any other options?
Academic Issue (a question or problem about your class or studies, including further studies at the Institute or another institution)	Your Trainer/ Academic Manager	The PEO	Student Appeals Committee	Independent mediator

Fees / Application for Refund (a question about the payment of course fees or an application for a refund)	Receptionist/ Accounts Officer	The PEO	Student Appeals Committee	Independent mediator
Welfare / Personal Issue (a question about your accommodation, health or safety, or concerns about bullying, abuse or other mistreatment)	Receptionist/ Admin Manager	The PEO	Student Appeals Committee	Independent mediator

If you are not satisfied by Step 1 above, a Student Appeals Form will be given to you to complete. The PEO will ensure that your Student Appeals Form is entered correctly and will attempt to resolve the problem and provide reasons for the decision. This will involve a meeting with you - at no cost to you - within 14 working days of the lodgement of your form. You can bring a friend or support person to help you if you like. The result of your meeting will be recorded in writing, and you will be given a copy.

If you are not satisfied at this stage, your complaint/grievance/appeal will be referred to the Student Appeals Committee.

The Student Appeals Committee (SAC)

The SAC comprises the PEO and another staff member. You can present your case directly to the SAC and you will be given a written statement of the outcome and the reasons for the decision reached. You can again bring a friend or support person if you like.

Still have a problem?

You have other avenues of appeal against the decision made if you are still dissatisfied with the outcome of your complaint / grievance / appeal.

If you wish to lodge an external appeal or complain about the decision, you can contact the Overseas Students Ombudsman. The Overseas Students Ombudsman offers a free and independent service for overseas students who have a complaint or want to lodge an external appeal about a decision made by their private education or training provider. See the Overseas Students Ombudsman website <http://www.ombudsman.gov.au/about/overseas-students> or phone 1300 362 072 for more information.

Please remember that the Institute is committed to delivering quality education. If you are experiencing any difficulties whatsoever during your program of study, you should not hesitate to discuss your concerns with the relevant staff member or the PEO. Staff will make themselves available at a mutually convenient time if you wish to seek assistance outside Institute office hours. At any stage of the process, you can also nominate another person to talk to the Institute staff member directly on your behalf.

The complete Student Grievances, Complaints and Appeals Policy and Procedures and a copy of the Student Appeals Form can be found in Appendix 2.

All students are able to access their own personal files held by the Institute and may also request that updates be made to information that is incorrect or out of date. Access may be given to an identified government officer from such agencies as the National VET Regulator (ASQA), DET or DHA for the purposes of an audit. We are required to inform DHA of any changes to your enrolment and any breaches by you of your student visa conditions relating to attendance or academic performance. A copy of student or staff records by a third party can only be obtained by written permission of the person whose file has been requested. This permission must be provided in writing for such access to occur. Please also see the “Social Media Policy” included in the Appendix 9 for detail.

6. STUDENT VISA CONDITIONS AND RELATED POLICIES

All student visas are granted subject to conditions that govern the stay of students and their families in Australia.

Failure to comply with visa conditions may result in the cancellation of the visa and removal of the person and their family from Australia.

Visa requirements include, but are not limited to:

- Maintaining full-time enrolment in a registered course
- Maintaining satisfactory course progress and attendance
- Maintaining OSHC for the duration of the visa
- Notifying the Institute within seven days of any change of address

6.1 Attendance policy

The Institute systematically monitors the attendance of its students who are enrolled in its courses, notifies and counsels those students at risk of failing to meet attendance requirements which may lead to a student not meeting course progress requirements and being reported to DHA.

International students must attend **at least 80%** of the scheduled course contact hours (20 hours per week). Daily attendance is monitored and reviewed at the end of each week.

If an overseas student is making satisfactory progress in their course without attending scheduled classes then the course duration will be shortened to the minimum duration required given the student's existing skills and knowledge, while maintaining the minimum scheduled course contact hours (20 hours) per week.

Students who do not register or are absent for the first two weeks (14 days) will be reported to DHA as non-commencement of studies.

Any student experiencing difficulty in attending classes, or struggling with coursework, is encouraged to approach their Trainer or a member of staff as soon as possible to discuss support options available to them so as to minimise the risk of not achieving satisfactory attendance and course progress.

Please note that, the regulator (ASQA) may, at any time, require a training provider (YBI) to implement policies and procedures to monitor minimum attendance requirements and if students don't meet these requirements, they will be in breach of a condition of their visa.

1. Policy Statement

Students must attend **at least 80%** of their scheduled classes, lectures, work place training (if there is any) and online learning sessions to ensure they are appropriately and adequately exposed to course content enabling them to successfully undertake and complete their courses.

2. Scope

- a. This policy relates to students and staff

3. Legislation

- a. ESOS Act/ National Code

4. Policy Approval

- a. This policy was approved by the CEO

5. Policy Content

- a. Daily attendance monitoring (face-to face class attendance)
 - i. Daily attendance monitoring is the responsibility of the trainer and assessor.
 - ii. The daily attendance record sheet must be marked for each hour timetabling session.
 - iii. The daily attendance record sheet must be stored overnight in a locked filing cabinet for security reasons.
- b. Weekly attendance monitoring (face-to face class attendance and online attendance)
 - Online attendance
 - Online attendance is timed and recorded using a software system that monitors active participation on the Institute's eLearning site. Online activity time will not be counted towards students' weekly attendance where:
 - The system identifies that the student was idle on the site even though he/she was logged in, and/or
 - Student was using the eLearning site during a time which is scheduled face-to-face class time.
 - Students' weekly online "Activity Log" spans from midnight on Sunday to midnight on the following Sunday. Students can check their online attendance at any time from the eLearning site and from the student portal. A maximum of 390 minutes (6.5 hours) per week will be credited towards students' total attendance record. This means that if a student spends 10 hours on the eLearning site in a given week, they will still only receive 6.5 hours of online attendance credit towards their total attendance record for that week.

- i. Weekly attendance monitoring is the responsibility of the Administration Manager, who calculates and records students' weekly attendance totals and ensures records are updated in the Student Management System.
- ii. The Administration Manager ensures that any student who has not commenced their course/s within 14 days of the expected course commencement date has been reported via PRISMS.
- c. Course attendance requirement
 - a. Students must attend at least 80% of their scheduled classes, lectures and online learning sessions to ensure they are appropriately and adequately exposed to course content enabling them to successfully undertake and complete their courses.
 - b. Attendance is monitored regularly and is used as a variable in determining possible contributing reasons in circumstances where students are identified being at risk or have failed to meet course progress requirements in accordance with the Institute's Course Progress Monitoring Policy.
 - c. If an overseas student is making satisfactory progress in their course without attending scheduled classes then the course duration will be revised and will be shortened to the minimum duration required given the student's existing skills and knowledge, while maintaining the minimum scheduled course contact hours per week.

Unsatisfactory progress is defined as not successfully completing or demonstrating competency in at least 50% of the units/subjects in any study period of a course. Students who do not achieve satisfactory progress for two consecutive study periods will be reported to DHA via the PRISMS system.

Students can access their results and feedback from the eLearning site or the student ePortal or from the Trainers or by asking the Reception/Academic Manager/Academic Manager to show them their recorded results. 6.2.1 Intervention strategy

At the middle of each term of a study period student's academic progress will be assessed. Students whose course progress is deemed at risk of not meeting course requirements at the middle of each study period/teaching term will be sent an **Academic Intervention Letter** notifying that they are advised to take necessary actions to solve any academic problems urgently.

Students are advised to contact the Academic Manager for a meeting or risk being reported to DHA if they continue not meeting their course requirements. Students are also advised when re-assessments are to take

place by way of notice boards and notices in class rooms

1st INTERVENTION LETTER

Where the student is at risk of failing or has failed for the first time or the 1st subject/unit of the term, will be sent an intervention email/letter (1st intervention) to the students email address (around week 7) requiring that they contact the Academic Manger to discuss strategies to avoid further academic warning and maintain satisfactory course progress.

1ST WARNING LETTER

Where a student has failed more than 50% of the units they attempted in a study period/teaching term, they will be sent a warning email/letter (1st warning) to their email address (at the end of the teaching term) requiring that they contact the Academic Manager to discuss strategies to help them achieve satisfactory course progress.

2ND INTERVENTION LETTER

If the student does not respond, and no contact has been made or information received about the students during the study period or if the students continue to fail more than 50% of the units they attempted in the **second** teaching term, they will be warned by email notifying that the student will be offered the intervention strategy program again.

Intervention Strategies should be tailored to suit each individual student's needs. Interventions strategies may include additional study suggestions and referral to other support services such as:

- Change of course
- English Language Support
- Mentoring
- Reassessment
- Reduction in course load
- Referral to external organisation
- Welfare support
- Transition support

INTENTION TO REPORT

The student will be warned that they will be reported to the Department of Home Affairs (DHA) for not achieving satisfactory course progress (Intention to Report).

Where a student can no longer achieve satisfactory course progress or fails to maintain 50% or above of the units for 2 consecutive teaching terms, they will be sent an email via their provided email address notifying them that the Institute intends to report them for not achieving satisfactory course progress.

Students will be informed that they have 20 (Twenty) working days from the date of the Intention to Report Letter within which to appeal to the Institute. If the student does not respond, if the appeal is not upheld or if the student withdraws from the appeal process, then the Institute must report the student to DHA.

Students can appeal the Institute's decision on the following grounds:

- the Institute has not calculated or recorded results or marks accurately or correctly
- Compassionate or compelling circumstances
- the Institute has not implemented its intervention strategy and/or other policies according to the documented policies and procedures available to students

6.2.2 Academic integrity and misconduct policy

YBI treats plagiarism and collusion as extremely serious academic misconduct. They are recognised as forms of cheating therefore severe penalties are associated with them including being expelled from the unit or course or being marked NYC (or a fail grade) for the unit or piece of assessment.

Policy statement:

YBI is committed to protecting academic integrity by preventing, detecting and addressing academic misconduct by students, including cheating and plagiarism.

SCOPE

This policy applies to all students and staff

DEFINITIONS

Academic Misconduct means any conduct by a student in relation to academic work that is dishonest or unfair and includes, but is not limited to:

- a) plagiarism;
- b) unauthorised collaboration;
- c) cheating in assessment/examinations;
- d) theft of another student's work; and/or
- e) ghost writing /contract cheating

Plagiarism means to knowingly or unknowingly present as one's own work the ideas or writings of another person without appropriate acknowledgment or referencing. This includes, but is not limited to:

- a) paraphrasing or copying text without adequate acknowledgment of the source; and/or;
- b) copying, whether identically or in essence, the text of another student's assignment; and/or;
- c) copying, whether identically or in essence, of visual representations (for example cartoons, line drawings, photos, paintings and computer programs);

Cheating means dishonest conduct in any assessment/examinations.

Collusion occurs when a student works with another person for a fraudulent purpose with the planned intent of obtaining an advantage by submitting a co-authored assignment or other work.

Ghost Writing occurs when a student pays someone to write an assignment on their behalf.

Please note that **unauthorised** collaboration is a form of collusion. However, when preparing group work, collaboration is expected and authorised.

Under the YBI academic integrity policy students are responsible for ensuring that:

- The work they submit is entirely their own
- Students take reasonable steps to ensure their work cannot be accessed by others who might seek to submit it in whole or part as their own.

All assessments must be accompanied by an Assessment Cover Sheet which contains an academic integrity declaration statement. For electronic submissions (if there is any), students are required to attach the Assessment Cover Sheet as part of the assessment submission process. For tests and exams, students will be provided with the cover sheet at the time of assessment.

PROCEDURES

Informing Students about Academic Misconduct

1. All YBI students will be provided with, and have access to, information about academic misconduct and how to avoid it via the Student Handbook and orientation slides.
2. Information about the preferred referencing style at YBI, the Chicago Referencing system, as well as procedures for dealing with plagiarism will be made available to all students through the online learning management system.
3. Educational guidance on appropriate academic conventions will be provided to students in their lectures and learning support classes.
4. Extra support and remediation will be offered to students found to have plagiarised.

Penalties for Academic Misconduct

1. The Academic Manager will impose a penalty on any student who is found to have committed an act deemed to be Academic Misconduct. Penalties include:
 - a. A reprimand.
 - b. A requirement that the student re-sits or resubmits the assessment for which the misconduct had taken place;
 - c. Allocation of “Not Satisfactory” or a zero mark (or other mark as appropriate) for the given task;
 - d. Allocation of “Not Yet Competent” or a zero mark (or other mark as appropriate) for the given unit;
 - e. Possible expulsion from the program.
2. The incident and outcome will be recorded in the Academic Register.
3. A student has the right to appeal the penalty imposed for Academic Misconduct. The policy and information on how to appeal can be viewed on the student portal.

Academic Misconduct Appeals

1. Appeals for Academic Misconduct are reviewed by YBI’s Academic Manager and Principal

Students can ensure they are fully aware of the implications of plagiarism and collusion by referring the Student Handbook, particularly the section that addresses how to avoid plagiarism and collusion. All students who commit an act of academic misconduct will be recorded on the Academic Misconduct register.

How to Avoid Plagiarism and Collusion

Collusion and plagiarism are never acceptable at YBI. To ensure the integrity of academic work, there are a number of things students should never do, including:

- Submitting an assessment piece without a full and correctly-constructed reference list and appropriate in-text reference notations.
- Copying one or more sentences from a reference source without formatting the material as a quotation.
- Using data in the form of numbers, tables, graphs, diagrams or other images without citing the source of the material.
- Using a program source code, even if it’s freely available in the public domain without citing the source of that code.
- Taking material from referenced material and paraphrasing it (making it your own) without citing the source of the material.
- Using any idea created by another person without citing the source of the idea.

6.3 Completion of course within the expected duration of the eCoE

Overseas students who are enrolled in CRICOS courses must complete their course within the expected duration of their eCoE, and the duration of the course must not exceed the course duration registered in CRICOS. The Institute may only extend the duration of the course where it is clear that the student will not complete the course within the expected duration, as specified on the student’s eCoE, as result of:

- Compassionate or compelling circumstances
- the Institute having implemented its intervention strategy for students who were at risk of not meeting the satisfactory course progress
- An approved deferment or suspension having been granted by the Institute

Requests to extend course duration must be submitted in writing on the Enrolment Variation Form. Any changes to enrolment that affect the course finish date will be reported to DHA through PRISMS and the supporting documents will be kept in the student’s file. Where necessary a new eCoE will be issued to students notifying them of their new course completion date.

6.4 Compassionate and compelling circumstances

Students must submit evidence to show that they are experiencing compassionate and compelling

circumstances. This evidence is reviewed by the Institute in the decision-making process.

Compassionate or compelling circumstances are generally those beyond the control of the student and they have an impact on the student's capacity and/or ability to progress through the course. These could include, but are not limited to:

- Serious illness or injury, where a medical or psychiatric certificate states that the student was unable to attend classes
- Serious illness, injury or death of a close family member
- Major political upheaval or natural disaster in the home country requiring emergency travel
- A traumatic experience that has had an impact on the student (traumatic experiences include, but are not limited to: involvement in or witnessing of an accident; a crime having been committed against the student; and the student having been a witness to a crime)

Supporting documentation

Supporting documentation is usually required to consider a claim of compassionate and compelling circumstances. This could include, but is not limited to:

- Medical certificate
- Psychiatric certificate
- Police report
- Death certificate

Medical and psychiatric certificates

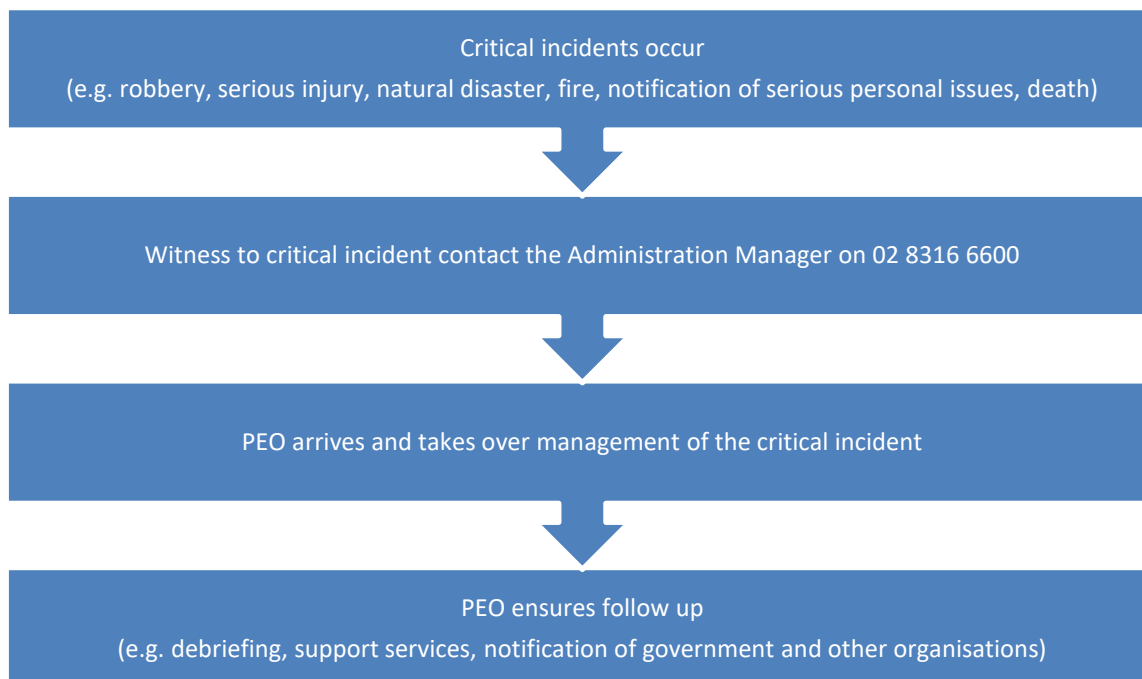

To be considered valid evidence, medical and psychiatric certificates must:

- Be issued by a registered health professional (doctor, RN, psychologist, psychiatrist, etc.)
- State that the student is/was unable to attend classes
- State the dates on which the student was/will be unfit for class
- Include the clinician's contact details
- Be translated into English if not written in English

6.5 Critical incidents

The Institute recognises the duty of care owed to its students and understands that planning for the management of critical incidents is essential.

The critical incident process for the Institute students and staff is:

Details of the Institute’s critical incident policy can be found in Appendix 5. If you have any questions, please speak to your Trainers or the Administration team or the PEO.

7. CHANGES TO YOUR COURSES OR ENROLMENT

Requests for changes to your course or enrolment must be submitted in writing on the Enrolment Variation Form. Additional documentation (e.g., medical certificates) may be required.

The Institute is required to notify DHA about any of the following changes that may occur while the student is studying at the Institute:

7.1 Change of course

A student can change a course before any subject starts. Relevant exemptions will be given if any equivalent subjects have been completed in the previous course. Any balance of the fees from the previous course will be forwarded to the new course. Students will only be charged if a new eCoE has to be issued.

7.2 Discontinuation of studies

Students are asked to inform the Institute as soon as possible of their intention to discontinue studies. All requests for refunds will be assessed in accordance with the Institute’s refund policy, which is available in this handbook.

7.3 Deferring, suspending or cancellation of enrolment

Note: Students should be aware that if enrolment is deferred, suspended or cancelled, their student visa

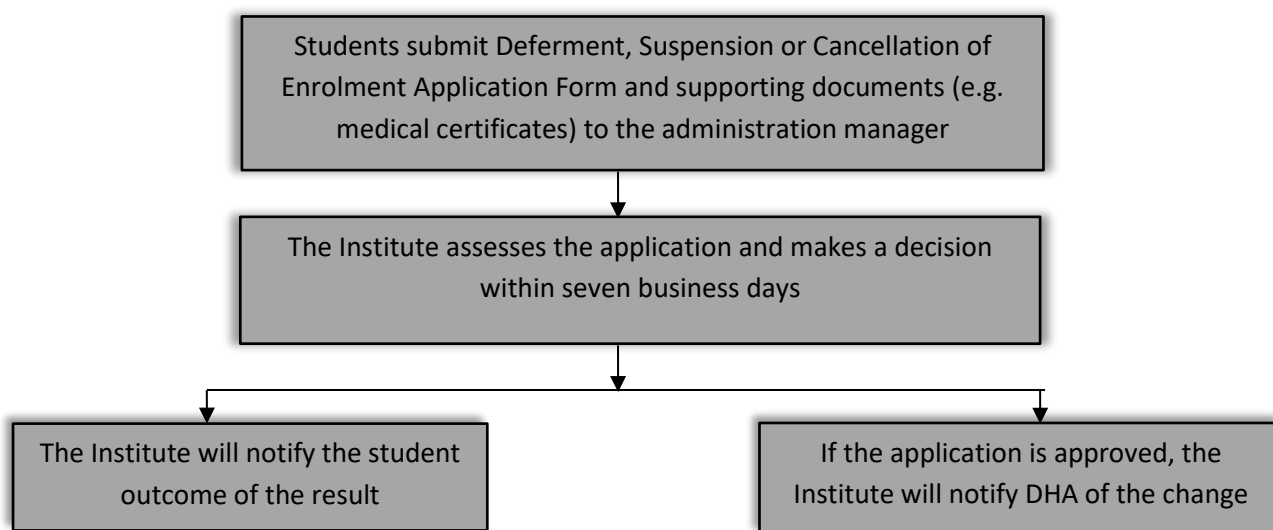

status may be affected. The Institute is obligated to inform DHA of any changes to a student's enrolment that may result in a change of visa status.

Deferring enrolment

Students can defer the commencement of their course on compassionate and compelling grounds (maximum one term). The Institute can also initiate to defer the commencement of a course when a course is not offered or is unavailable. In both cases students will be given a new CoE with the new enrolment details upon the tuition fees for the deferred term and fees for the deferment application been paid in full prior to the deferment. The tuition fees will be credited towards the term that student re-commences.

Temporarily suspending enrolment requested by student

Students can temporarily suspend their studies during the course on compassionate or compelling grounds. The procedure for students who wish to defer or temporarily suspend their enrolment is as follows:

Suspension or cancellation of enrolment by the Institute

The Institute can temporarily suspend or cancel the enrolment of a student on the following grounds:

1. Non-payment of fees
2. Student misbehaviour resulting in a breach of the Institute's code of conduct
3. Failure to progress through a course
4. Failure to commence a course within 14 days of the nominated course start date (non-commencement)
5. extenuating circumstances relating to the welfare of the student apply

Note: In all cases of suspension or cancellation except no.1, students are still required to pay their course fees.

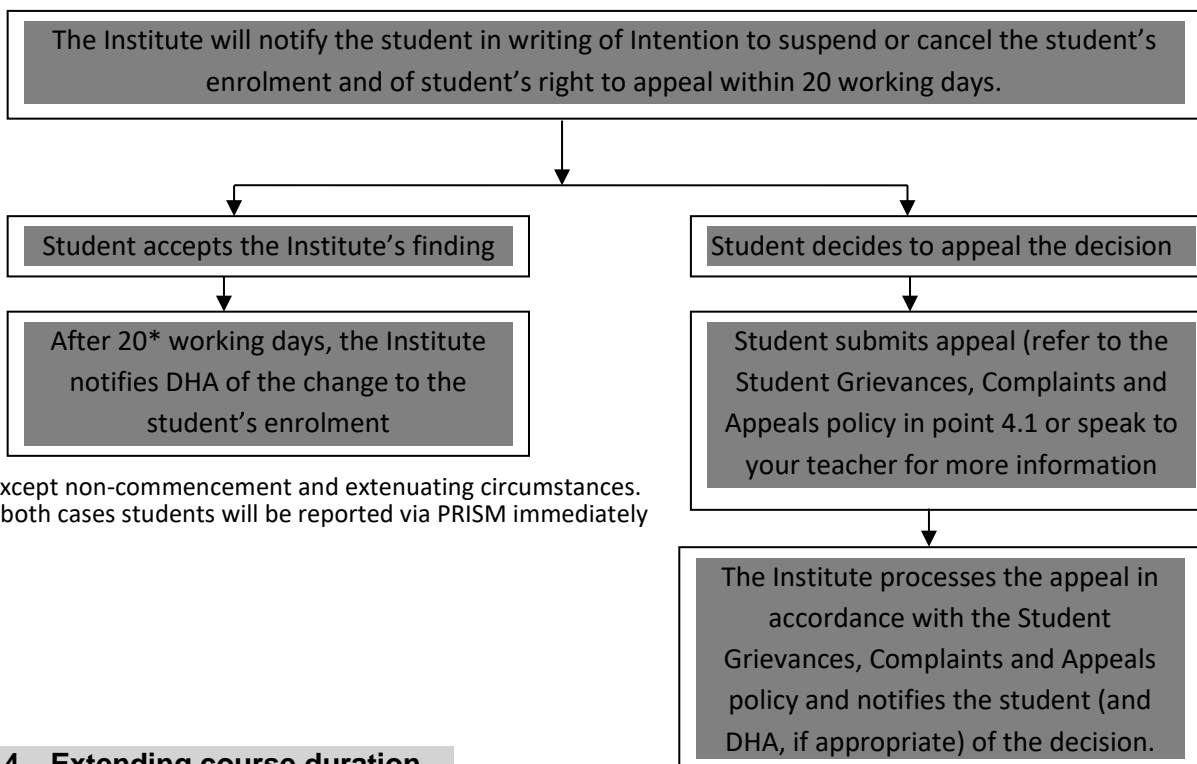

'Extenuating circumstances' relating to the welfare of the student may include, but are not limited to the following. The student:

- is missing or has not resumed the studies within 14 days after term break or inactively withdrawals;
- has medical concerns, severe depression or psychological issues which lead the provider
- to fear for the student's wellbeing;
- has engaged or threatens to engage in behaviour that is reasonably believed to
- endanger the student or others; or
- is at risk of committing a criminal offence.
- the student is the subject of investigation relating to criminal matters

The use of extenuating circumstances by the Institute to suspend or cancel a student's enrolment prior to the completion of any complaints and appeals process will be supported by appropriate evidence.

The final decision for evaluating extenuating circumstances lies with the PEO.

The procedure for suspension or cancellation of enrolment by the Institute is as follows:

7.4 Extending course duration

Students who wish to extend studies in the event of deferring or repeating subjects or not completing the course on time should discuss this matter with the Academic Manager.

7.5 Failure to commence a course

If a student cannot commence the course due to visa rejection or any other circumstances faced by the student after being issued a visa, then the student must inform the Institute immediately. If a student fails to commence the course within 14 days, the Institute must notify DHA via PRISM

7.6 Transfer between providers

Definitions (source: *the National Code*):

- Principal course: Usually the final course of study a student will undertake. For example, if a student is studying ELICOS followed by a Bachelor degree, the Bachelor degree is the principal course.
- Six months: Calculated as six calendar months from the first day of the principal course.

Overseas student transfer policy and procedure

1. PURPOSE

1.1 This policy sets out York Business Institute's (the Institute) policy and procedure for assessing student requests to transfer from another registered education provider to the Institute or transfer from the Institute to another registered education provider.

2. SCOPE

2.1 This policy and procedure relates to students studying in Australia on a student visa who have accepted an offer, or accepted an offer for a package of courses, to study at the Institute.

2.2 This policy and procedure does not apply to domestic students, students on other temporary visas, or student visa holders intending to transfer to an alternate course at the Institute.

3. POLICY STATEMENT

3.1 [Federal Register of Legislation - National Code of Practice for Providers of Education and Training to Overseas Students 2018](#) (the National Code) prescribes the requirements education providers must follow when assessing student requests for transfer between registered education providers (hereafter called 'registered providers').

3.2 In accordance with the [National Code](#), the Institute is restricted from enrolling transferring students who have not completed six months of their principal course (that is, the highest level course for which the student visa was granted), except in limited circumstances. These circumstances are set out in this document. No restrictions apply after the student has completed six months of their principal course.

3.3 The procedure below describes the processes for submitting, assessing, processing, and deciding on a student requests to transfer to the Institute from another registered provider, and the Institute student requests to transfer elsewhere.

4. PROCEDURE

4.1 Students are strongly encouraged to read this entire document before submitting a request for release to ensure all appropriate documentation is provided to assess the request.

4.2 Students must submit a request for release to another registered provider on the "Transfer Request Form" and provide all required documentation prior to the commencement date of the study period in which they are enrolled. Requests submitted after commencement date will not be considered.

4.3 All students who have arrived in Australia but not yet enrolled and commenced their studies, and students who have already enrolled and commenced their studies, who submit a request for release will be asked to meet with their Student Services staff to discuss their reasons for requesting a transfer. Students must meet with staff when requested as this will help to identify any support services or alternative courses within the Institute that may be relevant to the student's academic progression.

- 4.4 Students who have not enrolled and commenced their studies and have not yet entered Australia will need to submit a request to defer their commencement to the Admin Manager. Refer to the student handbook for further information on Deferment, Suspension and Cancellation policy.
- 4.5 All student requests for release will be assessed in accordance with this policy and procedure, the [Federal Register of Legislation - Education Services for Overseas Students Act 2000](#) (ESOS Act) and the [National Code](#).
- 4.6 All circumstances, including personal, medical, and compassionate and compelling circumstances will be taken into consideration when assessing a request for release.
- 4.7 Student Services and/or Admin Staff will notify students of the outcome of their request within 10 working days after receiving a complete and fully documented request for release/transfer application (see section 4.8 below).
- 4.8 Documentation/information required includes:
- A completed the Institute Transfer Request Form
 - a one-page statement of the reasons for their request (including how the transfer would be in the student's best interests) and giving the Institute permission to contact the proposed new registered provider to confirm that a valid offer has been made, or permission to contact the pathway provider to confirm the request for release has been assessed by them, and indicating their support for release (including details of academic progression, attendance and whether support services have been accessed where required)
 - recent and appropriate documentary evidence to support and substantiate claims of medical circumstances (that is, a medical certificate or letter that includes the medical practitioner's name and contact details on official certificate or letterhead, including the date of the consultation), or appropriate documentary evidence to support and substantiate claims of compassionate and compelling circumstances
 - a valid offer letter (demonstrating/confirming all entry criteria have been satisfied) from a new registered provider
 - written evidence of support from the Institute academic staff/support services of the student's inability to cope academically and that support services have been accessed
- 4.9 If the request is approved, the student will be advised of the requirement to contact the [Department of Home Affairs](#) to seek advice on whether a new visa is required. The release approval will be recorded in the Provider Registration and International Students Management System (PRISMS).
- 4.10 Students who submit a request for release that do not meet eligibility requirements (including undocumented applications) will be advised why their application cannot be accepted.
- 4.11 If the request is denied, the student will be advised in writing the information/circumstances taken into account, the reasons for the decision in writing, and their right to appeal the decision in accordance with the Student Grievances, Complaints and Appeals Policy and Procedures
- 4.12 A request for release will be assessed by Admin Staff

- 4.13 All requests for release to another provider, and copies of all responses, must be kept in the student's file in the Institute's record keeping systems.
- 4.14 Students are not permitted to transfer to a level of study that is lower than the highest level registered course/s for which the student visa was granted. For details, refer to the [Department of Home Affairs](#).
- 4.15 If the request is denied or the student subsequently submits an appeal that is unsuccessful, and the student does not intend to continue studies at The Institute, their enrolment and Confirmation of Enrolment (CoE) will be cancelled. These details will be reported via PRISMS to the [Department of Home Affairs](#). Students must seek the [Department of Home Affairs](#)' advice and be aware of the potential impact on their student visa. To avoid visa cancellation, students may return to their home country and request voluntary cancellation of their current student visa.

Students transferring to The Institute from another registered provider

- 4.16 The Institute may enrol a student transferring from their principal course of study from another registered provider if:
- the original registered provider has ceased to be registered or the course in which the student is enrolled has ceased to be registered
 - the original registered provider has recorded their release decision in PRISMS
 - the original registered provider has had a sanction imposed on its registration by the Australian Government or state or territory government preventing the student from continuing their principal course, or
 - any government sponsor of the student considers the change to be in the student's best interest and has provided written support for that change (in this case, a provider letter of release is not required).
- 4.17 Documentary evidence supporting a student's request for transfer to the Institute must be kept on the student's file. Information to be recorded includes confirmation that the release decision has been recorded in PRISMS.

The Institute students transferring to another registered provider

- 4.18 Subject to the timelines stated in the Individual Study Plan and Refund Policy students may request a release (transfer) to another registered provider within their first six months of study **only** if the following apply:
- Any of the circumstances stated in section 4.16 above apply to the Institute. In these circumstances a release letter is not required, or
 - The Institute determines that the transfer is in the overseas student's best interests if any of the following circumstances apply:
 - the student requests transfer to study a course of an academic level considered higher than the level of their principal course, in a discipline area not available in the Institute
 - the student will be reported because they are unable to achieve satisfactory course progress at the level (principal course) they are studying, even after engaging with the Institute's intervention strategies and made a genuine effort with their studies at the Institute

- evidence of and documented compassionate or compelling circumstances beyond the student's control, e.g. personal or educational problems that cannot be addressed by the Institute support services
- evidence that the student's reasonable expectations about their course have not been met, the student was misled by their agent/migration agent, and the course is therefore unsuitable to the student's needs and objectives
- an appeal (internal or external) on another matter results in a decision or recommendation to release the overseas student
- The student has no outstanding debt and has paid all fees/penalties owing to the Institute (applicable to all students).

4.19 Government sponsored students will be released to another registered provider where the sponsor considers the change to be in the student's best interest and has provided written support for that change.

Cancelling enrolment and requesting refunds

4.20 The Institute will cancel the enrolment of student whose request for release (transfer) to another provider is approved, and will record the decision in PRISMS.

4.21 Students with credit in their student fees account will be required to apply for a refund of fees in accordance with the Refund Policy

4.22 Students who withdraw from studies without requesting a release or before receiving a release decision they may be subject to visa cancellation by the [Department of Home Affairs](#).

Refusing student requests to transfer to another registered provider

4.23 The following circumstances are considered to have a detrimental impact on the student's educational outcomes for which their student visa was granted and may result in a request for release being denied:

- the student has not completed the first six months of their studies in their principal course and is requesting a transfer to a lower level qualification or different discipline area offered by the Institute, for reasons other than documented academic ability
- the student has already received a Notice of Intent to Report or has been reported to the [Department of Home Affairs](#) for unsatisfactory attendance or academic progress
- the student has outstanding tuition fees, other debts or fines
- no written confirmation from another registered provider has been provided that a valid unconditional enrolment offer has been made (unless release has been granted by a pathway/package provider of The Institute indicating that the student is unable to satisfy the Institute admission requirements)
- the student requests a release (transfer) to study a course at another registered provider of an academic level and in a discipline area available in the Institute
- the student is able to apply for a transfer to other courses offered by The Institute, but will not be granted a release to enrol with another provider on the basis of change of mind

- the student has only recently started studying and has completed less than four weeks of their principal course and has not accessed the full range of academic and support services available at The Institute
- the transfer would jeopardise the student's progression through a package of courses, for example, but not limited to, where it is clear the student cannot meet the conditions attached to the offer of enrolment made by a new provider
- the student has changed their mind about the course, including students enrolled in a pathway course and have not provided evidence to demonstrate that their course expectations have not been met
- a student of the Institute is seeking transfer to an English Language Centre which is not affiliated with the Institute
- Accommodation difficulties – distance, transport and/or living arrangement, the student wants to live somewhere else (unless documented evidence of compassionate or compelling circumstances is provided that demonstrates the student must move away from their current location).
- If the request is considered detrimental to the student's well-being
- the transfer would result in a breach of the student's mandatory or discretionary student visa conditions
- the student wants to transfer to a provider with lower tuition fees, or
- the student has provided fraudulent supporting documentation to support the claims/reasons for release.

Refunds

4.25 All student requests for refunds are decided in accordance with the Refund Policy

Right to appeal

Internal appeal

4.26 Students who can demonstrate that this policy and procedure has not been followed regarding decisions affecting the student may lodge an appeal. Students may lodge an appeal by completing Student Appeal Form to The Institute CEO/PEO within 20 working days of receipt of the outcome letter.

4.27 Students must submit sufficient details and/or relevant documentation to support their appeal, which specifically indicates a breach of this policy and procedure. The Institute CEO/PEO will notify the student of the appeal outcome within 10 working days after receiving a complete documented request for appeal.

4.28 Appeal requests submitted via email or that do not relate to the adherence of this policy and procedure will not be considered.

4.29 During the internal appeal process, the student's enrolment will be maintained unless the student notifies The Institute of cancellation of studies or fails to re-enrol. Students must attend all classes and continue with their course of study during the appeal process.

4.30 If the appeal to the Institute CEO/PEO is successful, the student will be advised in writing. The release approval will be recorded in PRISMS within five working days.

External appeal

- 4.31 If the internal appeal to the CEO/PEO is unsuccessful, students will be advised in writing of the outcome and reasons for the decision. Students may follow a further avenue of appeal through the [Overseas Students Ombudsman](#). The internal appeal process must be completed before lodging an external appeal.
- 4.32 If students are enrolled, their enrolment will be maintained until the external appeal process is completed. Students are required to maintain class attendance and academic progression until the outcome has been finalised by the [Overseas Students Ombudsman](#). Students intending to lodge an external appeal must do so within 20 working days of the outcome of the internal appeal by notifying the Institute CEO/PEO in writing. Proof of lodgement of the external appeal must be submitted within five working days to the Institute CEO/PEO.
- 4.33 If the external appeal is successful, the Institute CEO/PEO must be notified immediately. The decision of the [Overseas Students Ombudsman](#) will be entered into PRISMS within five working days of the official notification of a successful external appeal.
- 4.34 In all cases, the decision of the [Overseas Students Ombudsman](#) is final and no further appeals can be made.

5. RESPONSIBILITIES

Compliance, monitoring and review

- 5.1 The Institute Management is the process owner for all student transfers between registered providers.
- 5.2 The CEO/PEO is/are responsible for implementing this policy and procedure in The Institute.
- 5.3 Admin Staff is responsible for assessing all requests for release (transfer) to another provider in accordance with this policy and procedure, and the [National Code](#).
- 5.4 The CEO/PEO is/are responsible for ensuring these procedures are followed and assessing internal appeals in accordance with the Student Grievances, Complaints and Appeals Policy and Procedures .
- 5.5 This policy and procedure is regularly reviewed to ensure its alignment with the [ESOS Act](#) and the [National Code](#), and continues to be effective and relevant.

Reporting

- 5.6 Admin Manager is responsible for ensuring all reporting is completed in PRISMS as required.

Records management

- 5.7 All records relevant to these procedures must be maintained in The Institute's recognised record keeping systems.
- 5.8 All requests for transfer, including documentation, assessment details, decisions and letters must be retained for at least two years after the student ceases to be an accepted student.

See Appendix 11 for the application process flowchart

7.7 Refunds

All applications for refunds must be made in writing on the Refund Request Form (see section 2.9 and Appendix 1). Applications for refunds will be assessed in accordance with the Institute refund policy.

7.8 Issue of end-of-course documents

Issuance of Qualifications

In order to ensure that all qualifications and statements of attainment issued are verified and checked, the following process is applied:

- Completion of units is progressively recorded on the student's file and entered into the student management database.
- The checklist (Academic folder cover) has been thoroughly checked, completed and signed off by an authorised person (usually the Administration Manager)
- All assessments have been deemed competent (and the work of that student has met rules of evidence) by the Assessor
- Upon completion of their course of training (or withdrawal of enrolment), their file is reviewed by the PEO.
- The student will complete a "Document request form".
- The Admin Manager (or delegate) will sign the application and forward it onto the Finance Department.
- The finance department will also check that all fees have been paid and if so will forward to the Admin Manager. (If Fees are unpaid, the student will be issued with a Final Fee Reminder notice.)
- Provided all evidence is held for all of the required units, a qualification or statement of attainment is printed and signed by the PEO.
- The original qualification is forwarded to the student and a copy is added to the students file.

End-of-course documents will be issued to students within 30 calendar days of the completion date (if all fees have been paid).

Conditions governing Issuance of Qualifications/Credentials

Condition	Credential issued
Student request – throughout course	Interim Transcript
Students finishes having completed course	Certificate and transcript
Students finishes having not completed course	Statement of Attainment

Re-issue of Qualifications

In the case of any student losing or misplacing a certificate/transcript issued by the Institute, a replacement may be issued. The cost for reissue of a certificate is a \$50 administration fee. The replacement qualification will have the original date of issue. Request for re-issue of a qualification must be provided in writing to the Administration Officer outlining the reason for the re-issue, including any supporting evidence.

8. ASSESSMENTS

8.1 Competency-based training and assessment

Competency means that students at the Institute must demonstrate their skills, not just answer questions. The level of skill that students are required to demonstrate is listed in the National Training Package, which contains the syllabus. Training is delivered to students so that they can perform the assessment tasks.

Assessment

Assessment is the process of collecting evidence and making judgements on whether or not the student has demonstrated competency. Assessment is carried out by comparing the student's skills and knowledge to the requirements of the standards.

Validity

The assessments must assess what they claim to assess and what they have been designed to assess.

Validity of assessment is achieved when:

- Assessors are fully aware of what is to be assessed, as indicated by the standards of competence, including clearly defined performance criteria
- Appropriate evidence is collected from activities that can be clearly related to the units of competency

Authenticity

The evidence collected is proven to be the student's work alone. Plagiarism is unacceptable and Internet-derived material must be suitably acknowledged.

Reliability

The Institute's assessment methods ensure that the competency standards are applied consistently from student to student and from context to context using clear, unambiguous, well documented assessment procedures and competency standards. All of our trainers and assessors are well-trained and from an appropriate background of business experience. Our assessments are carried out within a system flexible enough to allow multiple and diverse forms of evidence.

Consistency

We collect enough evidence to allow judgment across the range of skills, without undue reliance on any small number of select workplace contexts or projects.

Currency

Our assessments evaluate whether or not the student's skills and knowledge are current and can be applied in today's workplace.

Sufficiency

Evidence of competency should be sufficient to cover all the elements, performance criteria and required range of variables in the standards against which assessment is to be carried out. The student must provide enough evidence to prove competency against the standards. This is defined on each of the assessment papers.

Flexibility

Every portfolio and set of candidacy evidence is unique. Students must identify and develop their own specific sets of evidence to prove competency against the standards. These sets will require different types of relevant evidence. Assessors can be flexible in using assessment tools; however, the assessment tools must assess both performance (skill) and the underlying knowledge and understanding over a period of time.

Fairness and equity

Our assessments do not disadvantage any person except those who do not study. Students will have assessments that do not discriminate in any way. Assessment guidelines must include an approach for working with candidates who have special needs.

Trainer-assessors

Our assessor will objectively assess evidence against a set of standards. All our trainers hold:

- Certificate IV in Training and Assessment (or equivalent)
- vocational competencies at least to the level being delivered and assessed
- current industry skills directly relevant to the training and assessment being provided
- current knowledge and skills in vocational training and learning that informs their training and assessment

Forms of evidence

- Evaluation of direct assignment tasks
- Observation
- Skill tests, simulations and projects
- Evaluation of underpinning knowledge and understanding
- Questions and discussion
- Evidence from prior achievement and activity

Assessments should not be stressful. They are conducted in a relaxed and friendly atmosphere. Do not regard your assessments as examinations – our assessors simply need to know which competencies have been mastered and which competencies require further practice, and he/she will be flexible in the assessment method used. It is in the student's interest to ensure that all of the skills necessary for the job have been mastered; our aim is to help you to learn those skills in the right way.

Re-assessment

Students are eligible for re-assessment at any time during the term provided whether they have received a Not Yet Competent (NYC) outcome despite of making a genuine attempt at the assessment when initially submitted within the due dates provided or have missed the due date for some inevitable circumstances.

Students must follow their study plan to determine the term, the subjects/units within the term and their end dates (usually subject/unit end date is the due date for the subject/unit).

See the re-assessment policy for details.

9. LIVING IN SYDNEY

9.1 About Sydney

Sydney has been voted one of the most beautiful cities in the world and has one of the world's most celebrated harbours. There is a wide variety of things you can see and do in Sydney when not studying.

Australia's beaches are well known around the world, and increasingly we are also becoming known for our great food, wines and a multitude of sporting and cultural activities. Add this to our relaxed lifestyle and great weather and you will quickly understand why Sydney is one of the best cities in the world for students to enjoy!

9.2 About Sydney CBD

Sydney CBD is a friendly, multicultural area of Sydney. The Institute is centrally located, close to Sydney CBD shopping areas and a number of cafés and restaurants.

The Institute is only a 10-minute bus ride from Sydney Opera House, where you can enjoy the famous Australian culture and sunshine! You'll also have quick and easy access to Sydney's Darling Harbour and other popular locations via bus, train and light rail from Central Station.

9.3 Transportation

Public transport is very easy in Sydney and is also fairly cheap. The Institute is a 2-minute walk from Museum Station and a 5-minute walk from Town Hall Station, where you can get trains and buses to all locations in Sydney.

Taxis are easy to get but are fairly expensive, so we recommend that you take public transportation to get to the Institute. We also suggest that you don't drive yourself to the Institute because parking in the area is extremely limited.

9.4 Cost of Living (A\$)

The Australian government suggests that international students allow funds of approximately \$29,710 AUD per year to support their living expenditure. The information below is a GUIDE ONLY for individual living expenses while in Australia. For details, please refer to [Living and education costs | Study Australia](#)

EXPENSE	COST	NOTES
Housing	\$150+ per week	This will vary greatly depending on where you live and the type of accommodation you choose.
Food	\$100+ per week	This is for a week's worth of groceries from the supermarket.
Transportation	\$25+ per week	A weekly transport pass could save you money. The cost of transport will vary greatly depending on where you live.

Utilities (gas/electricity/Internet)	\$25+ per week	If you share accommodation, the costs for utilities will decrease per person.
Mobile phone	\$20+ per week	This will vary greatly depending on your plan, international calls, etc.

EXPENSE	COST	NOTES
Medical expenses	\$50 per consultation	Your Overseas Student Health Cover (OSHC) will reimburse you for most costs, but you will need to pay up front. Remember there are occasional costs (including consultations) that extend beyond the coverage of your medical plan.
Clothing	Varies	Most students bring clothes from home and purchase only a few items while in Sydney. Remember that weather in Sydney varies, so you should have some warm clothes in case it gets cold.
Entertainment	\$25+ per event	Examples include a film, a dinner, drinks at the pub, etc.

9.5 Accommodation

Rental accommodation

Estimates of average rental accommodation costs per week are:

Type of accommodation	Estimated cost per week (AUD)
1 bedroom flat	\$180 - \$250
2 bedroom flat	\$250 - \$400
2-3 bedroom flat or house	\$350 - \$550

Rent in Sydney is usually paid fortnightly. Note that when you move into rental accommodation you will have to pay bond, which is usually four weeks' rent, plus two weeks' rent in advance. The bond will be refunded to you when you move out.

Utilities (gas, electricity, telephone and Internet) are paid separately from your rent. There will also be initial connection fees for these services. 'Green' (more eco-friendly) energy providers are becoming more popular in Australia. You can also save money by investigating different providers, so be sure to shop around!

Boarding houses

Boarding houses range from fairly large commercial properties to average sized houses run by private citizens. Full-board, room with use of facilities, or room-only is available. You can expect to pay about \$150 - \$200 per week for a single or shared room in a boarding house.

Full-board/homestay accommodation consists of a single room in a private house where the householder provides meals for you and you share in the life of the family. The average cost for accommodation and meals is \$250-350 per week. This is a good way for international students to improve their English and get to know Australian culture.

Homestay

If you are living with a home stay family, remember that they expect you to behave as part of their family and not as a hotel guest. Australian families rarely have servants so you may have to do things that you may not be used to doing at home. You will be expected to do small tasks around the house such as clearing plates from the table. You will also have to do your own washing using the facilities provided for you.

You may find the food that you are offered is different from the food you are used to but you should try everything. If you really don't like the food discuss your problem with your homestay family.

Your home stay family expect you to practice your English with them. They will be willing to help you and you can learn a lot from them both about the English language and the Australian lifestyle. Please contact the Student Welfare Officer for details. Students can also be given advice regarding other forms of accommodation.

You can also organise your own homestay by contacting a homestay agency such as Aussie Families Homestay Care Pty Ltd (61 2 9301 0900) or Homestay Network (61 2 9012 0392). Alternatively, a Student Welfare Officer can arrange your homestay for you if you wish.

9.6 Weather

Sydney has a mild climate, especially in winter, but be aware that the weather is subject to quick changes. You should bring clothing for hot and cold weather, wind, rain and strong sunshine, regardless of the time of year. Listen to the weather forecasts carefully.

Remember that the sun in Australia is very strong. You are advised to wear sunscreen whenever you will be in the sun for extended periods – even in winter!

9.7 Trading hours

Post Offices are open from 9:00 am to 5:00 p.m. Monday to Friday. In some shopping centre they are also open on Saturday mornings, usually from 9:00 a.m. to 1:00 p.m.

Most banks are open from 9:30 am to 4:00 p.m. Monday to Friday. Some branches are also open on Saturday mornings. ATM machines operate 24 hours per day.

Shops are usually open from 9:00 a.m. to 6:00 p.m. Monday to Friday, and many larger stores stay open for late-night shopping until 9:00 p.m. on Thursdays. Weekend hours vary, but most are open between 10:00 a.m. and 5:00 p.m. Saturdays and Sunday. Many big supermarkets are open until midnight during the week and until 10.00 p.m. on the weekends.

9.8 Banking

There are many different types of bank accounts. Ask about the different types of accounts before you decide which one you would like to open. A Savings Account is probably the most suitable account for students.

When you open an account you will normally receive an ATM card that will also function as a debit card (known as an EFTPOS card in Australia). Most shops in Australia do not accept cheques but will take credit cards and EFTPOS cards.

9.9 Medical issues

If you get sick, you may have to go and see a doctor. In most circumstances you go to a local doctor who has a surgery near your house; in Australia, you do not go to a hospital unless you are seriously ill.

If you cannot come to Institute, the doctor will give you a medical certificate that describes what is wrong with you and states how many days you may stay at home. Don't forget to hand in your medical certificate when you return to Institute so that your absences don't affect your attendance.

Your OSHC will cover some or all of the cost of your doctor's appointment, but in most cases you will need to pay the full fee up-front and claim the refund back from your OSHC provider (so be sure to keep your bills and receipts!). You may have to pay more to see a specialist or if you are staying in a private hospital. Most prescriptions will not be covered by basic OSHC, and if you expect that you will need medication regularly you may want to look at increased health cover.

If you are hurt in an accident or need urgent medical attention in an emergency, you should call 000 and/or go straight to the Emergency Department of a hospital.

Please collect all your personal belongings and go the exit nearest you. The staff at the Institute will assist you in evacuating the building. Proceed to the meeting point, which is located in the front of the building.

10.3 Overseas Student Health Cover (OSHC)

All overseas students on student visas are required to have OSHC for the period of their stay in Australia. Education providers and some agents are able to lodge the OSHC Application Form and payment at the time of processing a student's enrolment to study in Australia.

Most Australian education institutions have a preferred OSHC provider. At the Institute, we prefer Medibank Private, which is a registered health fund. For more information on OSHC, visit the Medibank Private website: <http://www.medibank.com.au/>.

10.4 Unique Student Identifier (USI)

From 1 January 2015 if you are undertaking nationally recognised training delivered by a registered training organisation you will need to have a Unique Student Identifier (USI). This includes studying at TAFE or with a private training organisation, completing an apprenticeship or skill set, certificate or diploma course.

Each student will need a USI to obtain their certificate or qualification from their registered training organisation when studying nationally recognised training in Australia.

A Unique Student Identifier (USI) is a reference number made up of numbers and letters that give students access to their USI account:

- A USI will allow an individual's USI account to be linked to the National Vocational Education and Training (VET) Data Collection allowing an individual to see all of their training results from all providers including all completed training units and qualifications.
- The USI will make it easier for students to find and collate their VET achievements into a single authenticated transcript. It will also ensure that students' VET records are not lost.
- The USI will be available online and at no cost to the student.
- This USI will stay with the student for life and be recorded with any nationally recognised VET course that is completed from when the USI comes into effect on 1 January 2015.

The USI initiative will:

- Seamlessly link information about a student's VET achievements, regardless of where they studied
- Enable students to easily access secure digital transcripts of their achievements
- Give students access to, and more control over, their educational information

As part of this initiative – it is required that students create their USI at the earliest possible.

If you are unable to create a USI and would like the Institute to do it on your behalf – you will need to come to the Admin Office at the Institute and sign a 'Consent Form'. After which the Institute will be able to create it for you.

For more information visit www.usi.gov.au or ask at Reception. You can either apply yourself for your USI or ask at Reception and we can do it on your behalf or assist.

10.5 Working in Australia

Overseas students are allowed to work in Australia *after commencement of their course of study*. They are allowed to work *no more than 40 hours per fortnight* during the semester, provided that it does not adversely affect their studies. During holidays overseas students may work full-time. However, work is not always easy to find, and you should not rely on income earned in Australia to pay your tuition fees.

Obtaining a tax file number (TFN)

You must have a TFN to be assessed for tax. This is a requirement for any job. You will need to complete a special form, which you can get from any taxation office or download from the website <http://www.ato.gov.au/>. You must then lodge the application at a taxation office. Your tax file number will be sent to your current Australian address. Also to know more about your employment rights and conditions, and how to resolve workplace issues please see <https://www.fairwork.gov.au/>

Students may be offered additional resources to aid them in their studies. These resources remain the property of the Institute and are only on loan. These resources may take the form of:

- Work papers
- Class sets of notes
- Textbooks belonging to the Institute and for which the student has not paid

Students are required to return all Institute property within the time specified by the issuing staff member. ***Failure to do so will result in certification being withheld until all Institute property is returned.***

All students will require the following equipment:

- Paper (A4 white)
- A4 notebook with lined writing paper
- Red, black and blue pens

10.8 Student identification card

All students are issued with the Institute Identification Card that includes their photograph, name, student identification number, commencement and completion dates, and signature. Students are required to have their identification card with them at all times while on the Institute premises.

10.9 Leaving the training room during the lesson

Common courtesy requires that you inform the Trainers before leaving the room. If it is your intention not to return during that or later lessons, you must discuss this with your Trainers.

10.10 Student refreshment breaks

Students are allowed to carry hot/cold drinks in the classrooms; however, there is strictly no eating or drinking while seated at or using the computers.

A microwave and tea/coffee facilities are available for student use in the kitchenette. This and all other work areas should be kept clean and tidy at all times.

10.11 Student feedback and quality improvement

The Institute collects statistical information regularly to monitor, maintain and achieve ongoing continuous quality improvement in the delivery of our qualifications. We welcome constructive feedback from our students and staff concerning educational and service improvements or changes that would improve our existing educational and student services. APPENDIX 6: ATTENDANCE MONITORING POLICY

Student Attendance Policy

The Institute systematically monitors the attendance of its students who are enrolled in its courses, notifies and counsels those students at risk of failing to meet attendance requirements which may lead to a student not meeting course progress requirements and being reported to DHA.

International students must attend **at least 80%** of the scheduled course contact hours (20 hours per week). Daily attendance is monitored and reviewed at the end of each week.

If an overseas student is making satisfactory progress in their course without attending scheduled classes then the course duration will be shortened to the minimum duration required given the student's existing skills and knowledge, while maintaining the minimum scheduled course contact hours (20 hours) per week.

Students who do not register or are absent for the first two weeks (14 days) will be reported to DHA as non-commencement of studies.

Any student experiencing difficulty in attending classes, or struggling with coursework, is encouraged to approach their Trainer or a member of staff as soon as possible to discuss support options available to them so as to minimise the risk of not achieving satisfactory attendance and course progress.

Please note that, the regulator (ASQA) may, at any time, require a training provider (YBI) to implement policies and procedures to monitor minimum attendance requirements and if students don't meet these requirements, they will be in breach of a condition of their visa.

6. Policy Statement

Students must attend **at least 80%** of their scheduled classes, lectures, work place training (if there is any) and online learning sessions to ensure they are appropriately and adequately exposed to course content enabling them to successfully undertake and complete their courses.

7. Scope

- a. ESOS Act/ National Code

9. Policy Approval

- a. This policy was approved by the CEO

10. Policy Content

- a. Daily attendance monitoring (face-to face class attendance)
 - i. Daily attendance monitoring is the responsibility of the trainer and assessor.
 - ii. The daily attendance record sheet must be marked for each hour timetabling session.
 - iii. The daily attendance record sheet must be stored overnight in a locked filing cabinet for security reasons.
- b. Weekly attendance monitoring (face-to face class attendance and online attendance)
Online attendance

- Online attendance is timed and recorded using a software system that monitors active participation on the Institute’s eLearning site. Online activity time will not be counted towards students’ weekly attendance where:
 - The system identifies that the student was idle on the site even though he/she was logged in, and/or
 - Student was using the eLearning site during a time which is scheduled face-to-face class time.
 - Students’ weekly online “Activity Log” spans from midnight on Sunday to midnight on the following Sunday. Students can check their online attendance at any time from the eLearning site and from the student portal. A maximum of 390 minutes (6.5 hours) per week will be credited towards students’ total attendance record. This means that if a student spends 10 hours on the eLearning site in a given week, they will still only receive 6.5 hours of online attendance credit towards their total attendance record for that week.
- iii. Weekly attendance monitoring is the responsibility of the Administration Manager, who calculates and records students’ weekly attendance totals and ensures records are updated in the Student Management System.
 - iv. The Administration Manager ensures that any student who has not commenced their course/s within 14 days of the expected course commencement date has been reported via PRISMS.
- c. Course attendance requirement
- d. Students must attend at least 80% of their scheduled classes, lectures and online learning sessions to ensure they are appropriately and adequately exposed to course content enabling them to successfully undertake and complete their courses.
 - e. Attendance is monitored regularly and is used as a variable in determining possible contributing reasons in circumstances where students are identified being at risk or have failed to meet course progress requirements in accordance with the Institute’s Course Progress Monitoring Policy.
 - f. If an overseas student is making satisfactory progress in their course without attending scheduled classes then the course duration will be revised and will be shortened to the minimum duration required given the student’s existing skills and knowledge, while maintaining the minimum scheduled course contact hours per week.

At the middle of each term of a study period student's academic progress will be assessed. Students whose course progress is deemed at risk of not meeting course requirements at the middle of each study period/teaching term will be sent an **Academic Intervention Letter** notifying that they are advised to take necessary actions to solve any academic problems urgently.

Students are advised to contact the Academic Manager for a meeting or risk being reported to DHA if they continue not meeting their course requirements. Students are also advised when re-assessments are to take place by way of notice boards and notices in class rooms

1st INTERVENTION LETTER

Where the student is at risk of failing or has failed for the first time or the 1st subject/unit of the term, will be sent an intervention email/letter (1st intervention) to the students email address (around week 7) requiring that they contact the Academic Manager to discuss strategies to avoid further academic warning and maintain satisfactory course progress.

1ST WARNING LETTER

Where a student has failed more than 50% of the units they attempted in a study period/teaching term, they will be sent a warning email/letter (1st warning) to their email address (at the end of the teaching term) requiring that they contact the Academic Manager to discuss strategies to help them achieve satisfactory course progress.

2ND INTERVENTION LETTER

If the student does not respond, and no contact has been made or information received about the students during the study period or if the students continue to fail more than 50% of the units they attempted in the **second** teaching term, they will be warned by email notifying that the student will be offered the intervention strategy program again.

Intervention Strategies should be tailored to suit each individual student's needs. Interventions strategies may include additional study suggestions and referral to other support services such as:

- Change of course
- English Language Support
- Mentoring
- Reassessment

Collusion occurs when a student works with another person for a fraudulent purpose with the planned intent of obtaining an advantage by submitting a co-authored assignment or other work.

Ghost Writing occurs when a student pays someone to write an assignment on their behalf.

Please note that **unauthorised** collaboration is a form of collusion. However, when preparing group work, collaboration is expected and authorised.

Under the YBI academic integrity policy students are responsible for ensuring that:

- The work they submit is entirely their own
- Students take reasonable steps to ensure their work cannot be accessed by others who might seek to submit it in whole or part as their own.

All assessments must be accompanied by an Assessment Cover Sheet which contains an academic integrity declaration statement. For electronic submissions (if there is any), students are required to attach the Assessment Cover Sheet as part of the assessment submission process. For tests and exams, students will be provided with the cover sheet at the time of assessment.

PROCEDURES

Informing Students about Academic Misconduct

1. All YBI students will be provided with, and have access to, information about academic misconduct and how to avoid it via the Student Handbook and orientation slides.
2. Information about the preferred referencing style at YBI, the Chicago Referencing system, as well as procedures for dealing with plagiarism will be made available to all students through the online learning management system.

Students can ensure they are fully aware of the implications of plagiarism and collusion by referring the Student Handbook, particularly the section that addresses how to avoid plagiarism and collusion. All students who commit an act of academic misconduct will be recorded on the Academic Misconduct register.

How to Avoid Plagiarism and Collusion

Collusion and plagiarism are never acceptable at YBI. To ensure the integrity of academic work, there are a number of things students should never do, including:

- Submitting an assessment piece without a full and correctly-constructed reference list and appropriate in-text reference notations.

Work placement information (for Hospitality students only)

The work placement hours allows students to develop their skills and applied knowledge learnt in class to practice in the actual workplace. The emphasis is also on training through gaining first-hand knowledge by working in a real workplace. Because work placement aims at enabling students to become effective employees, all other aspects of the course have been designed to encourage the overall development of skills and knowledge that are directly related to a workplace.

All of our Hospitality courses have mandatory work placement components which also provide students with the opportunity to learn in a real environment under the direction of a qualified practitioner.

Students are supervised by a workplace supervisor and will be assessed by an YBI assessor. The assessor will use the Work Placement Assessments, workplace visits and the observations of the supervisor to determine if a student is competent in the workplace. Students will maintain a Logbook as well. This enables the student's completed hours and hospitality experience to be recorded and monitored

Work placement is mandatory and YBI does not guarantee at any stage that a student will gain employment due to work placement.

Work placements as course requirements

To gain a hospitality qualification at YBI, students are required to undertake a period of work placement. This is a compulsory work placement that needs to be completed to complete an accredited unit (SITHIND008 Work effectively in hospitality service) within the Hospitality courses. Students are required to complete a minimum of 36 service shifts outside of the Institute in a real-life industry environment to demonstrate their overall competence. YBI has allocated two terms to complete these service shifts. Students are encouraged to

undertake work placements during the term 4.

Students will complete their work placements in an appropriate hospitality environment. Students are responsible for finding their own work placements. However, YBI has agreements with different organisations in case students need any assistance finding placements. If students are already working in a hospitality business, they may select their own workplace for work placement providing it is suitable. An YBI assessor will assess and decide on the suitability of the work placement settings.

In general, students will not be paid during their work placement; unless they are employed in which case they have a contract with the employer.

Work placement eligibility

Students are eligible to participate in work placement upon completion of at least one term of theoretical study at the institute. The students are only deemed eligible to participate if they possess the required attributes and skills.

Students who are scheduled to participate in work placement, but are not deemed ready to do so, will be interviewed and an alternative course of action will be agreed upon. This may mean continuing with more theoretical units or repeating the appropriate term of study, or in some cases, discussions about the suitability of the course in general. For more details on Eligibility, refer to the FAQs available on YBI website or ask your trainer or Student Welfare Officer.

YBI work placement process

Work Placement Assessment

Work placement assessment requires students to demonstrate the skills and knowledge learnt at campus or online in an actual workplace situation. Students are expected to use the range of skills they have acquired throughout their course and apply these to each work placement situation.

Students are reminded that they must successfully complete their work placement to complete their course. If there are gaps in any of the required skills, students may be asked to undertake more hours in work placement to develop skills or may be required to undertake additional training.

The Work Placement Assessments includes 4 components:

Induction and logbook

As a part of the Assessment Kit, you will be required to undergo an induction and keep a logbook, in which you will record work placement hours.

Portfolio

You will also be required to complete a portfolio of evidence including recording different tasks and activities you have performed during work placement sessions. All sections must be completed and deemed

satisfactory. If sections are not completed, you may be required to do additional work placement hours in order to complete them.

Supervisor's report

This section requires your supervisor to sign off on the activities you have undertaken in the workplace and determine whether these tasks are completed to the standard required in the industry.

Assessor visit/observation

The assessor will visit the student 3 times in the workplace and speak to the supervisor in order to assess their ability to meet the requirements of each unit of competency.

Students must be assessed in the workplace in order to meet the requirements of the course. Assessor visits will be arranged through out the placement. We will specify a date range in which this visit will occur on your Work Placement Confirmation Form. If you complete your work placement without this visit, you will not be eligible to receive the qualification. Therefore, you must notify YBI immediately of any changes to your work placement as this mean that you will not be at the workplace within the date range on your Work Placement Confirmation Form.

Roles and Responsibilities

Role and Responsibilities of the Workplace Supervisor

Attendance at the work placement

The following conditions apply to all students undertaking their work placement hours:

Arrival, Break and Departure Times

Students must arrive in the nominated host employer's premises as per the required **START** time and date stipulated on the Work Placement Confirmation Form. There is no flexibility in arriving late for work placement.

Arriving after the start time at the host employer's premises, leaving prior to the finish time, returning to the host employer's premises late from a break or non-attendance are not acceptable

Students arriving after the start time, taking extended breaks, leaving early or non-attendance may no longer be eligible to participate in subsequent work placement sessions.

Students are required to:

- Arrive and sign-in by the **START** time indicated and be ready to commence work placement at the start times specified in the Work Placement Confirmation Form*
- Be present for the work placement induction
- Be present in the workplace for the duration of the work placement (exclude allocated breaks)
- Strictly adhere to break times.
- Strictly adhere to **FINISH** time

*Any changes to the start times, shifts or durations of work specified in your Work Placement Confirmation Form must be advised immediately in order to reschedule your assessor visit.

Non-attendance

Your attendance for scheduled work placement is mandatory. As you are aware, YBII has negotiated this work placement with a real employer in the industry. In order to maintain an ongoing relationship with the host employers, we must be reliable and professional. We rely on students completing these work placements with the same approach.

If a student does not attend a scheduled work placement session, then the host employer is left without a student who they have planned for. They may view us as unreliable and we may lose them as a host employer.

Students will need to make up the hours that they have missed.

Non-attendance and illness

We realise that sometime people fall ill and will be unable to attend a scheduled work placement session. If

this happens:

- Notify your host employer or Supervisor immediately via phone
- Notify YBI Student Services or your Trainer via email

Your host employer will also have given you a contact number in case you are sick, be sure to ring the host employer and advise them that you will not be coming in.

Even though you are sick, you must fulfil the number of hours specified in your qualification. This means you will have to make up the hours that you have missed.

Non-attendance due to illness must be accompanied by a medical certificate and provided to YBI within 14 days from the date you missed the scheduled work placement session. The medical certificate must cover the specific day that you missed the work placement session.

If you miss a scheduled work placement session without giving at least 24 hours' notice or without providing a medical certificate which resulting in you may no longer being welcome at the host employer's premises and then you might be required to arrange a new host employer . Your suitability for the course will also need to be discussed.

Electronic Devices

The use of electronic devices, including but not limited to mobile phones, is not allowed whilst performing your work placement hour (exclude allocated breaks).

Rearrangement of Assessor Visit

An estimated week for the assessor visit will be provided on your Work Placement Confirmation Form. You must advise your trainer if your host employer initiates any changes in your working days and shift times as this may mean that you will complete your work placement earlier than expected. YBI must be notified as soon as you are aware of the changes in order to reschedule the visit date.

Changes with insufficient notice may mean that the student has to complete more work placement hours to receive the assessor visit. If students are not present at the time of the assessor visit or provide less than 48 hours' notice of non-attendance without providing a medical certificate, a \$200 reassessment fee will be imposed to the student account.

If a student requires a second assessor visit in order to meet the requirements of assessment, this will be arranged at a cost of \$200. In addition, students may be required to undergo additional work placement hours in order to schedule the second assessor visit.

Assessment Outcome – Not Yet Competent

Should a student not demonstrate competency within a single work placement, students may be required to undergo additional work placement hours and an additional assessor visit. An additional assessor visit will incur a fee of \$200.

No resubmission fee applies for the first resubmission of the portfolio.

Work Placement Code of Ethics

All students are required to conduct themselves in a professional manner at all times. In order to complete work placement, the student agrees to the following:

Work Placement Health & Safety Guidelines

Your health and safety responsibilities are taught in more depth within your course. However, for work placement, students must adhere to the following:

General Health & Safety

- If students have skin breaks, they must use an occlusive bandage
- Students must wash their hands thoroughly (covering all surfaces between fingers etc. and up to and including the elbows) – refer to hand washing procedure in your course notes
- Students should not be participating in work placement if they are sick with a contagious disease or condition.
- To protect your own health, you should not be attending to clients with contagious conditions either. If you have reason to believe a client has a condition that may pose a threat to your own health, approach your supervisor immediately for guidance
- Where there are any visible lesions or wounds on a client's skin, students should seek advice from the supervisor

Staying Alert to Health and Safety Hazards

If students spot any hazards to the health and safety of anyone in the work placement (including them) they should report them immediately to the supervisor.

Harassment in the Workplace

Workplace harassment is offensive, belittling or threatening behaviour directed at an individual worker or group of workers. Harassment consists of behaviour that is unwelcome, unsolicited, usually unreciprocated and usually (but not always) repeated. It makes the workplace or association with work unpleasant, humiliating or intimidating for the individual or group targeted by this behaviour. It can also make it difficult for effective work to be done.

Workplace harassment should not be confused with advice or counselling on the work performance or work related behaviour of an individual or group, which might include critical comments indicating performance deficiencies. Feedback or counselling on work performance or work related behaviour differs from harassment in that feedback or counselling is intended to assist staff to improve work performance or the standard of their behaviour. Feedback or counselling should always be carried out in a constructive way that is not humiliating or threatening.

Workplace harassment that must be avoided may include:

- offensive physical contact and derogatory or intimidating behaviour;
- insulting or threatening gestures or language or continual and unwarranted shouting in the workplace;
- unjustified and unnecessary comments about a person's work or capacity for work;
- openly displayed pictures, posters, graffiti or written materials which are offensive;
- phone calls or messages on electronic mail or computer networks which are threatening, abusive or offensive to staff; and
- persistent following or stalking within the workplace, or to and from work or elsewhere.

Sexual Harassment

Sexual harassment is when a person makes an unwelcome sexual advance, or an unwelcome request for sexual favours, to the person harassed, or engages in other unwelcome conduct of a sexual nature in relation to the person being harassed.

It may be an isolated incident or a series of incidents. Both men and women can be subjected to sexual harassment from persons of the same or the opposite sex. A person need not actually intend to offend, for conduct to amount to sexual harassment.

Racial Discrimination

Racial discrimination could involve distinction, exclusion, restriction or preference based on the race, colour, descent or national or ethnic origin of a person. Any form of racial discrimination is unacceptable. It may be an isolated incident or a series of incidents.

Any type of harassment or discrimination must be avoided at the work placement. If you believe you are a victim of any form of workplace harassment or discrimination the first thing you should do is contact your trainer or YBI student support and notify your supervisor to decide upon the most appropriate action.

Work Placement Privacy Guidelines

Students must adhere to the following.

Confidentiality

Any details collected by students during a work placement, and any information disclosed verbally to a student by a client during a work placement must be treated as strictly confidential.

This means that students must never discuss information about their clients with any third party (except the supervisor) – i.e. you cannot tell your friends, or anyone else, anything about your clients, even who your clients were.

Also note that you must never take any documentation away with you from your host employer's premises or copy information from any documentation about a client. Any notes required to complete your work placement portfolio must be de-identified (i.e. the name of the client must be removed).
